

21 May 2010

An **RWE** company

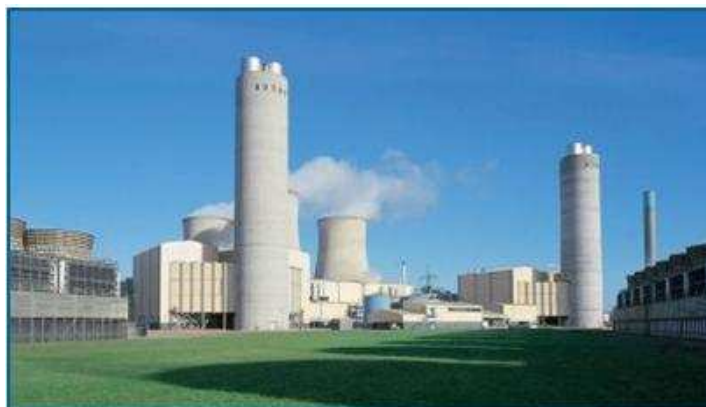

welcomes **GERMAN INDUSTRY UK**

Today **RWE** welcomed some 20 members of **GERMAN INDUSTRY UK** to their second working meeting in 2010 at the Didcot Power Stations in Didcot, Oxfordshire.

Mr Volker Beckers, Group Chief Executive Officer, RWE Npower, our member and host for the day, opened the meeting with a presentation on RWE in the UK.

Mr Volker Beckers

Didcot Power Stations

This was followed by a very informative guided tour of both Didcot Power Stations A and B.

The Control Room at Didcot B

Some of the participants

Mr David Cockshott

Following a buffet lunch, courtesy of RWE, we had a further presentation by Mr David Cockshott, Head of Corporate Markets on Business to Business at RWE Npower, along with a discussion with Mr Beckers, Mr Cockshott, and others.

To finish, we summed up **GERMAN INDUSTRY UK**'s work in the United Kingdom for and on behalf of our members.

A very rewarding day for all participants.
