

Rolls-Royce WELCOMES

GERMAN INDUSTRY UK

THE VOICE OF GERMAN INDUSTRY IN THE UNITED KINGDOM

7 July 2011

Rolls-Royce Derby

Rolls-Royce plc welcomed some 20 members of **GERMAN INDUSTRY UK** to their first Visit to a Major British Company of this year, on Thursday, 7 July 2011, at their headquarters in Derby.

The visit was hosted by **Mr Alain Michaelis, President of Gas Turbine Supply Chain and Deputy Chief Operating Officer**, who introduced Rolls-Royce's operations worldwide.

Then we had presentations from Mr Steve Churchhouse, Executive Vice President—Supply Chain Development, Mr Brendan Hindle, Senior Vice President Manufacturing Improvement, and Mr Uzam Khan, Continuous Improvement Executive.

All participants

Members present were from ABUS, AKG, ANT, BOC, Carl Kammerling, Carl Zeiss, FUCHS, HARTING, HOPPECKE, IDS Scheer, MTU, SIKLA, ThyssenKrupp and WMF.

Following the presentations and the buffet lunch, the participants were given a tour of the Turbines Facility, the Manufacturing Technology Exhibition, and the Rolls-Royce Visitors Centre.

A rewarding and enjoyable day for all those who took part.
