SHELL UK LTD

welcomes

GERMAN INDUSTRY UK

17 November 2009

Shell UK Ltd today welcomed some 20 members of GERMAN INDUSTRY UK to their UK Headquarters in London.

After an opening statement from the Chairman, Mr James Smith, there were presentations on *Shell in the UK* from Mr Andrew Eddy, Director Communications, on *Future Fuels for Transportation* by Mr Mark Gainsborough, Executive Vice President, Strategy and Portfolio and on *Energy Scenarios* by Mr Jeremy Bentham, Vice President, Global Business Environment. This was then followed by a discussion and a superb luncheon kindly sponsored by Shell.
